CONTINUING MEDICAL EDUCATION

Target Audience

Practicing ophthalmologists who care for patients with glaucoma and related disorders.

Educational Objectives

At the conclusion of this program, attendees will be able to:

- Effectively evaluate and utilize current and new diagnostic testing modalities to assist in the early diagnosis of the glaucoma patient and glaucoma suspect as well as disease progression
- Make treatment decisions using evidence-based recommendations and best-practices regarding the use of medical and laser therapies for the treatment of glaucoma
- Describe and evaluate surgical treatment options in the management of primary and secondary pigment dispersion glaucoma
- Compare and contrast recent and emerging glaucoma surgical care options and integrate pearls for improving glaucoma surgical outcomes
- Understand the impact of co-morbid anterior segment conditions on glaucoma patients
- Make use of surgical video pearls as a means for improving understanding of glaucoma surgical challenges

Accreditation Statement

The American Society of Cataract and Refractive Surgery is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. ASCRS takes responsibility for the content, quality, and scientific integrity of this CME activity.

Designation Statement

The American Society of Cataract and Refractive Surgery designates this live activity for a maximum of 7 *AMA PRA Category 1 Credits*[™]. Physicians should claim only credit commensurate with the extent of their participation in the activity.

All CME activities approved for *AMA PRA Category 1 Credit*[™] are valid for recognition by the European Accreditation Council for Continuing Medical Education (EACCME). Physicians not licensed in the U.S. who participate in this CME activity are eligible for *AMA PRA Category 1 Credit*[™].

Attendees registered as exhibitors, spouses, and guests are not eligible for CME credits.

Note: All attendees must have their badges printed on site to be verified as eligible for credit. The program evaluation and credit claim will be available online.

Notice of Off-Label Use Presentations

This program may include presentations on drugs or devices, or uses of drugs or devices that may not have been approved by the Food and Drug Administration (FDA) or have been approved by the FDA for specific uses only. The FDA has stated that it is the responsibility of the physician to determine the FDA clearance status of each drug or device he/she wishes to use in clinical practice. ASCRS is committed to the free exchange of medical education. Inclusion of any presentation in this program, including presentations of off-label uses, does not imply an endorsement by ASCRS of the uses, products, or techniques presented.

ADA/Special Accommodations

ASCRS fully complies with the legal requirements of the Americans with Disabilities Act (ADA) and the rules and regulations thereof. ASCRS also requires ADA compliance from its contracted vendors and facilities. Any participant in this educational program who requires special accommodation or services should contact the ASCRS-ASOA Meetings Department by March 6, 2015: (703) 591-2220.
